

November 3, 2017

Happy Friday!

What a week!! First, I would like to give a huge thank you to Mrs. Daniels and Mr. Zgoda and their entire Black and Gold team for the outstanding job on our Black and Gold Knight Gala this past Saturday! It was a wonderful evening with many firsts! A hearty congratulations also goes out to Mr. and Mrs. Killian for being our very first Millie Perillo Lancer Leader recipients! We had more attendees this year, and many were from the parish or outside of the school. Great, Great JOB!!

We also had Halloween this week! The ghosts, goblins, vampires, ninjas, princesses, super heroes, star wars characters, waterfalls, garbage cans, and various other amazing costumes that roamed our hallways were treats for all to see! Father Matt and Deacon got a kick out of the kids on their parade! They were very well behaved, though the following day they were all in sugar comas!

A few quick reminders this week:

1. Please remember when taking pictures of the students on our school campus that we do have some students that cannot be photographed. When these photos show up online on someones social media, it can cause some frustration for the parents that do not wish to have their child on that platform. We ask that you please be aware of who is in your photographs and where you are posting. If you have questions, please reach out to the classroom teacher.
2. Dash's Receipts - We collect Dash's receipts for money for our school so dont throw them out! Save them and turn them in just like box tops!
3. Progress Reports - Progress reports came home today. There was a glitch with eschool, which caused some classes and grades to not show up. We will certainly reprint on Monday any reports that were missing grades and/or comments. However, dont forget that you can always look on the parent portal for the most up to date grades and average.
4. As we are now in November, we ask that you please let you children walk to their class on their own. Parents may stand in the main vestibule by Andy the turtle if you wish.
5. Please also remember that the end of the school day is 2:20 for K-8 students. We ask that if you are picking up your child that you pick them up by 2:25. Many teachers have students staying after. If students are not picked up by 2:25, they are brought to the after school care program and you are charged accordingly.
6. Parent-Teacher Conferences are **THIS THURSDAY** from 7:30am-6pm. There is no school for the students. If you have not signed up yet, or have not been in communication with your child's teacher, please make sure you set up a time to meet. After school care will be running, but we ask that you please let the after school care team know your child is coming. If we do not have at least 12 students, we cannot run the program.

7. There is NO SCHOOL Friday, November 10th, as it is Veteran's Day.
8. Fall Craft Show - If anyone is available to help with our Fall Craft show on Sunday, Nov 12th please email Andrea Foglia at agig7@verizon.net. The show is from 9am to 3pm. Any time you are able to give would be great!! Plus you can get some shopping done :)
9. Due to lack of participation, there will be NO AFTER SCHOOL CARE on November 22nd.

Have a great weekend!

Peace,

Mrs. P
