

Happy Friday Everyone!

We have flown into the middle of January! We are incredibly busy with plans for Catholic Schools Week! So much going on! Our schedule is listed below and there is so much planned!

Quick reminders:

Please note: There is NO AFTER SCHOOL CARE/STARCAST on Monday, January 16th. School is closed in observance of Martin Luther King Day.

Black and Gold Tickets are still on sale! Please join us for this wonderful event!!

Please find the 8th grade Spirit Night at Anderson's donation Ticket below! Monday, February 6th from 4pm-8pm, our 8th graders will be at Anderson's trying to raise money for their various 8th grade events! Print and bring the coupon below and present it when you order. Our 8th grade will get 20% of all proceeds with these donation tickets. It is win win situation! You get yummy and delicious food and ice cream, and the 8th grade raises money for their events leading up to graduation. Please come out and support our graduating class!

March 1st we are having a FISH AND CHIPS FOR FIELD TRIPS fundraiser. Flyers will be going home next week with more information. As we all know, there is no meat for Ash Wednesday, but finding a fish fry once we remember can be tough! So starting at 4pm, we will have a drive through/pick up fish fry! Patrons can purchase tickets ahead of time in the main office or rectory. Fried fish, or fried shrimp will be offered for dinner. Its a perfect way to take the worry of "WHATS FOR DINNER?" off of your mind!

Also coming home in the next week or two will be the Platter's Chocolate order forms. The chocolate will be delivered in time for Easter celebrations. Avoid the craziness of shopping for Easter candy and you can help the school out as well!

REGISTRATION CHALLENGE:

The students were told today that the first class to get 100% re-registration for next year will receive a pizza and ice cream party and dress down day! Remember that registration opens to the public on January 29th! Get your registration forms in now! Registration forms were sent home before Christmas. If you did not receive one, please let me know as soon as possible. We have added that if you have a PK3 student in the full time, 5 day a week program, and another child in the PK4 (5 day a week program) - 8th grade, then you are eligible for the multi child discount whether you are a participating partner or not. The PK3 and PK4 part time programs are not eligible for multi child discounts. Please, please feel free to call if you have any questions. I am happy to talk to you about the tuition category changes and work out what is best for your situation.
