

Happy Memorial Day!

As we slide into a long weekend, please remember that this day is a special day to honor those that have fallen in the name of protecting our country. Memorial Day was created to honor our fallen soldiers, whereas Veteran's Day is meant to honor all those that are living. Really everyday should be a day of appreciation for our soldiers. They have given our country, and every one of us, a blank check, payable with their life. This Memorial Day, we remember those that paid the ultimate sacrifice. How incredible that a stranger would do that for someone they didnt know....hmmmmm would we happen to know anyone willing to give his life to save others????

Since there is NO SCHOOL tomorrow, our email is a day early.

At mass today our students wore their red noses to help end child poverty. We have a cute picture that should be going up soon! We also blessed a prayer shawl together for Mrs. Young's baby, Parker. He has been battling a little illness and is in need of our prayers! Please remember them in your prayers.

Today we completed our final Lockdown Drill with Officer Milo! I cant tell you how proud we are of the kids. This was an unannounced drill - even the teachers didnt know! As the lock down announcement came over the PA, kids were going about their daily work and some were in lunch too. The kids - even our little ones - knew exactly what to do! They went into the nearest classroom or safe area. Kudos to your children and teachers for amazing prep! Officer Milo was very impressed with how far we have come in just one short year! GREAT JOB TO ALL!!

Along with our safety training, just a gentle reminder to please not let ANYONE into the building you do not know. They should be going through the front door and getting buzzed in.

Dont forget our food drive is still going on!! Food can be brought in until next week!!

Our annual school picnic is June 19th. We are going to need parent volunteers!! Please contact Mrs. Foglia if you are able to help out.

Fantasy Island Information sheets went home today. Please return by Tuesday the 30th. We just need to get counts for busing, tickets, and lunches. Permission slips will go out shortly.

Sports Banquette Forms must be returned by Tuesday the 30th as well.

The Book Fair is coming!!!! The book fair will be here next week. It is a BOGO book fair - aka buy one, get one free!!

See everyone on Tuesday!!

Peace,

Mrs. P
