

Happy Friday Everyone!

It has been a busy week! We have lots of information today!

Tonight at 7pm and tomorrow at 3pm, join us for our students' performance of Beauty and the Beast, Jr.! It is at Cardinal O'Hara High School in the auditorium. \$8 per ticket, 3 and under are free! Best of luck to our actors and actresses!!! Thank you to Mrs. Panna, Mrs. Gabryszak, Mr. Johnson, Ms. Stainsby, our many parent volunteers, and all who have helped make this night possible.

Our Open House Wednesday was great! We had 13 new families come through. I have 5 shadows set up and multiple tours! Word is out! Keep up the great work everyone!

Great job to our middle school on their Science Fair! You did a great job!

STREAM News: After school STREAM academies are going well. Remember that we have two more weeks to go. Make sure you look for fun, new, and exciting classes in the fall.

Spring Craft Show: We really could use a few adult volunteers. The show is on Sunday, April 22nd from 9am to 3pm. We can do short shifts if needed. Anyone can contact Mrs. Foglia by email at agig7@verizon.net. Money raised from this event helps us with our end of year school celebration!

Diocesan Track Meet - The Diocesan track meet will be on May 14th at St. Francis HS. Students from 4th grade and up will be able to participate in trials here at school and then those that have won the trials at school will go on to the track meet. It typically runs from 9:45 am - 1:45 pm. A permission slip was sent home to all to make sure that you would be able to participate on the day of the meet. It allows us to have a working list to run trials off of. The cost is \$5. More information to come. Any parents that would like to come and help us supervise would be greatly appreciated. Please email Mr. Bratek at brandon.brateg@standrewscds.net if interested.

Catholic School's Day at the Bisons – more information to come shortly.

Please check out the newest information at the "Kids Korner" for Formed. They have great child friendly ways to share our faith and build their knowledge and love of the faith. [FORMED Kids Korner](#)
