

Hello Everyone! This is a "short" email today.

First - We wish to extend congratulations to all of our 3rd graders that are making their First Holy Communion tomorrow. We are so proud of you and happy for you to officially receive the body and blood of Christ. What a beautiful gift!

Second - Happy Mother's Day to all the moms, grandmas, sisters, aunts, and all the women who are like moms for someone else. You make a difference and you are beautiful. Take some time for yourself.

Third - 5K and Lancer Leap: We are a little over a week away from our 5K & Lancer Leap event! We are still looking for many volunteers on Saturday May 19th to help keep our runners safe by manning the corners throughout the route. If you are available from 8:00a.m-10:15a.m., please contact Sabrina Braunstein at Sabrina.braunstein@standrewscds.net. We will also need some help here at school during the after party and the kids fun run. This event is truly a good time, with all around family fun! Don't forget to register for the 5k on standrews5k.com. We also have copies of the 5k and Lancer Leap Kids Fun Run registration if you need one. Please don't forget to send in your colored donation envelopes that were sent home before Easter break. Miss Distefano's class is now in the lead for the most donations brought in. Remember if a prek class wins they will get a special treat day and if a class in grades K-8 win they will get a special dress down day. We will also have a gift card giveaway at the 5k. Every \$10 raised by an individual student gets them a chance to win!
