

Happy Friday Everyone!

We had a great Turkey Trot this year that included a special police escort! The officers loved it! We appreciate them attending and keeping our kids safe! A huge thank you to Mrs. Foglia and Mr. Wegman for getting things ready, getting turkeys for our 3-8 winners, and for keeping times of each runner! We can't do it without you. Another huge thank you goes out to Mrs. Foglia and all the volunteers for the Craft show last Sunday! It was the most traffic we have ever had! Tomorrow is the 75th Anniversary Celebration of St. Andrew's! If you are planning to attend and have not RSVP'd, please be sure to do so today before the end of the day. We need to have a head count to make sure we have enough delicious finger foods!

I hope to see you there! Remember that it is 21 and over as alcohol will be served.

Today we say good bye to Mrs. Panna and wish her well on her new adventure. We will miss her, but we know that she will be great wherever she goes and will always keep St. Andrew's in her heart!

We have a short week coming up, but a very special week.

Tuesday is our Thanksgiving Mass and Feast. We will share mass together in the morning at 8:30am and then later in the day share a school family meal together. It is a free lunch, cooked by our own cafeteria master chefs, Mr. Geoff and Miss Mary. If your child DOES NOT like turkey, stuffing, etc. please do send in an alternate lunch for them.

We also officially say GOOD LUCK and CONGRATULATIONS to Mrs. Roberts this Tuesday as she finally gets to put her feet up before her new bundle of joy arrives! Please join us in sending her prayers, well wishes, and positive vibes for the birth of her new son - who is due right after Thanksgiving.

There is NO SCHOOL Wednesday, Thursday or Friday next week because of Thanksgiving!

Reminders - From the Cafeteria: Parents, please remind your children to keep their food to themselves. We have seen an increase in the amount of uneaten food tossed on the floor. We have also seen an increase in the amount of nuts being thrown on the floor. While we understand that some of this is accidental, we have also stopped students from throwing their food in all grade levels. We do have multiple nut allergies in the building. At the moment we have a nut free table in the lunch room, but with so many nuts being thrown on the floor, it is getting increasingly concerning that they could find their way to any one of the students with a nut allergy and cause a reaction that could potentially be life threatening. I am sure they do not throw food at home; please remind them not to do it here and also to clean up after themselves.

You can still send in donations for the warming tree, the coat drive, and the soldier's supply drive! Thank you for your support!!

Coming up:

December 1st - 8th GRADE MEAT RAFFLE!! Get your tickets now to win some delicious food for the holidays coming up and to support our 8th grade class trip!!!
