

Dear St. Andrew's Families,

First, I want to thank the students! The kids did a wonderful job, and I LOVED hearing them sing with the guitar as accompaniment, because I could hear them! Beautiful job!!

Secondly, THANK YOU! Thank you for your support and your kind words. I know that I was a blubbering mess, but I hope I was able to convey to you how much the children, the school, the staff, and you the parents mean to me. As I have said before, if hugs, smiles and love could pay the bills I would be rich, because I have more than any one person deserves. The thank you from you and the students left me without words.

Finally, I have been given the gift of some extra vacation days. Therefore, my expected end date of January 4th has changed to tomorrow. I am going to miss all of you so very much and these next two days will be very hard as I say goodbye. However, I will be around, and my little one is still in PK4 here and I look forward to seeing the progress that I know Mrs. Giannantonio will continue!

Thank you all from the bottom of my heart. I have been truly blessed being a part of St. Andrew's and I am better because of it. Blessings to you all. Have a Merry Christmas and Happy New Year!

Peace,
Mrs. P
