

Dear Parents/Guardians,

-Flynn O'Hare is closing its Williamsville location at the end of this month

-Children need to be signed in and out of the main office when arriving late, leaving early or a sick leave.

-A note is required for early release

-Parking lot safety and etiquette-please, please, please keep the safety of the students your number one priority. There have been a few close calls and this would make for a horrific issue.

-Tour guides are still welcomed for Open House 1/27 12-2 and/or 1/30 5-7 we are currently short on middle school parents.

-Sabres game link <https://fevo.me/standrews>

-Keep an ear open for our commercials regarding open house; they are airing on Kiss 98.5 with some of our very own students who recorded them.

-From HSA

"All are invited to this evening's Home School Association Meeting. We will meet in the Faith Formation Room at 6pm today. Immediately following the meeting, our HSA book club will discuss "Girl, Wash Your Face" by Rachel Hollis.

If you are not familiar with the location of the Faith Formation room, enter through the Donovan Center doors (by the gym) and you will be guided there. Middle School babysitters will be available to keep an eye on younger children for the HSA meeting."

-A huge thank you for all your support during this transition. I look forward to moving St. Andrew's forward.
