Support Our School

Spring is almost here which means grilling season is not too far out. What better way to get your grilling meats than to win them at our School Meat Raffle this Saturday March 2. Doors open at 5:30 first spin is at 7. This is a 21 years of age and over event. \$5 presale and \$7 at the door. It's a win-win situation. You get the meat and the school gets the dough. This fundraiser will support the school on various levels. If you can't come and participate please help spread the word or buy a ticket to show support. Another way to help if you don't you want to gamble for meat maybe you could lend a hand where needed or show support by sending in a basket for the basket raffle portion of the event. If you have any further questions or concerns or want to help please email standrewsinformation@gmail.com and we will get you in contact with the right person.
