For the end of the year newsletter.

From the Nurse,

Notices will be sent home shortly to let you know if your child will need a physical or immunization for next year. Immunizations are required prior to entering school next year. Physicals may be turned in after school starts or you can drop them off during the summer.

Physicals are required for PreK, Kindergarten, 1 st, 3 r d , 5th and 7 th grades. They are also required for sports. If your child is not in one of the grades above, they may still need a physical for sports. It is always a good idea to turn in a copy for every physical your child has.

If your child has medication in school it must be picked up by an adult who will be asked to sign for it.

Any Medication not picked up by 10:00AM on 6/20/18 will be destroyed. Medication cannot be stored at school after the nurse has left for the summer.

I will be retiring at the end of this school year.

Thank you for making my time at St Andrews a pleasure. I have truly enjoyed caring for your children. There are experienced Kenton nurses interested in the position. I'm sure whoever the district hires will do a wonderful job.

Regards, Mrs. DiMaggio
