

This **Friday 5/10** Ken-Ton schools are NOT in session. However, St. Andrew's will still be running a normal day. I realize that some students in the Ken-Ton district may not have transportation. If this is the case then the student will have a legal excuse and it will not be held against them.

- Please take a minute to complete the survey so that we have info when we begin plans for next year's HSA events.

- This week take an extra minute to thank the teachers for their hard work and dedication. They will be getting a little extra TLC this Teacher Appreciation Week.
- When students arrive at school late an adult must come in with them and sign them in.
- At dismissal please don't allow your child to run down the ramp of the McNulty entrance. This is for the safety of all, as the parking lot is a very busy place.
- Congratulation goes out to the 3<sup>rd</sup> grade class as they received their First Holy Communion over the weekend.
- Don't forget to sign up for some of our summer camps that are being offered. Student minimums must be met to run the class. Invite your friends as these are not just limited to SAS students. See the attachment below.
