

## Lancer Lowdown - August 11, 2020

Hello,

- Thank you so much for those who have already sent in your questions and concerns. If you haven't already done so please send them in.
- I have a Diocesan Principals meeting tomorrow, hopefully we will be given more information.
- I will schedule some Q and A's early next week, more information to follow.
- At this time there is no definitive first day, as soon as a school calendar is ready to be published it will be sent out. At this time, I am looking at Wednesday the 9th. However, although the draft plans were submitted and Cuomo stated as long as numbers stay low we can open there has been no further info on what the specifics of that look like. We are still waiting on plan approval.
- I am looking at the uniform policy and will have it ready to go for the used uniform sale this Friday. It will take place in the parking lot 9-11 am and again from 5-7 pm.
- When we are ready I will also share the classroom layouts for each homeroom teacher please see the attached for teachers and their assignments at this time. Please know with the fluidity of everything this too could change.
- We are looking for support for the meat raffle please promote it in any way possible or even buy a ticket. Just a thought maybe have a meat raffle gathering in your yard and watch me and maybe some special guests to draw numbers. Any questions please let me know.
- Also, please share the next Chivetta's Dinner is Wednesday, August 19th.
